Pre-Reading SURVEY

1. Use the question, *"What is one way teachers can help ELL students understand what they read?"* to survey as many people in the room as you can.

2. Record the name of each person you survey in the space provided below.

3. Beside each person's name, record his or her answer to the survey question.

SURVEY QUESTION: ***What is one way teachers can help ELL students understand what they read?***	
Name	Response to Survey Question
