Workers, Goods, and Services

Directions: Use the information from the book, *The Big Green Pocketbook, to* name the type of workers and the goods or services they sell or buy.

Type of Workers	Goods They Sell/Buy	Services They Sell/Buy
bus driver		driver people to places
banker		they keep your money safe
insurance people		if you had a car accident you could buy a room
jewelry man	They sell jewelry	They help you fix your jewelry
dry cleaners		They help you clean your clothes
drugstore	They sell medicine	
florist	the sell flowers	

Goods – Things that people make or grow that satisfy economic wants.
Services – Actions (jobs) that people do for each other. A service is something that you cannot touch or hold. A service is consumed at the instant it is provided.
