

# Searching the Database of Accountable Evaluations (DAE)

According to MCPS regulation [IIB-RA](#), instructional materials and library books are to be reviewed and evaluated prior to purchase and use with students. DAE includes library books and instructional materials (other than textbooks, family life, health and AIDS materials) evaluated after 2001.

1. Navigate to the DAE site: <https://dae.mcpsmd.org/>. You will not need to login.
2. In the **Search DAE** box on the left, type your search term in the Keyword field. Use the dropdown menu in **Search by** to filter your search by Title, Author, ISBN, Publisher, Series or All Above. Choose a search option and click on the blue “Search” button.

3. In the results list, you will see a list of titles related to your search term sorted alphabetically by title. Above the first title, you will see the number of records found.
4. At the bottom of the page select “View per page” to change how many records are displayed at once.
5. Click the blue title link to see the full record for a select title.
