The charge does not involve any New Hampshire Estates Elementary School students nor is it related to any school and it did not occur on Montgomery County Public Schools property. Regardless, such charges are disturbing. Please know that we take the safety and security of our students seriously and we work every day to ensure that we maintain a safe learning environment for our students.

While this charge is unrelated to anything involving our school community, I wanted to notify you of this arrest. If you have any questions or concerns, please contact me at 301-431-7607.
