A. *Introductions*

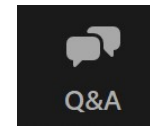

THE WEBINAR PROCESS...

This meeting is taking place as a Zoom **Webinar**.

Camera and microphone access will be limited to Panelists.

The presentation will be followed by A **Question and Answer Session**.

- Please save questions for this section
- Please click on the Question & Answer Icon to type in your questions.
- A host will read your question and a panelist will respond, as time allows.
- For further questions, contact **Jonathan_O_Acosta@mcpsmd.org**

Thank you for coming!

Agenda

- A. Introductions
- B. Goals + Flexibility of Space
- C. Phase 2 Building Design
- D. Phase 2 Site Design
- E. Schedule
- F. Q & A Session

B.

Goals + Flexibility of Space

- Provide Phase 2 program spaces, per Ed Specs
- Provide for program flexibility and the signature Arts Core program
- Provide seamless connections to Phase 1 building
- Integrate with site grading and Phase 1 site features, providing safe pedestrian, vehicle and service access
- Plan for an **efficient**, future masterplanned addition to add student capacity at a later time

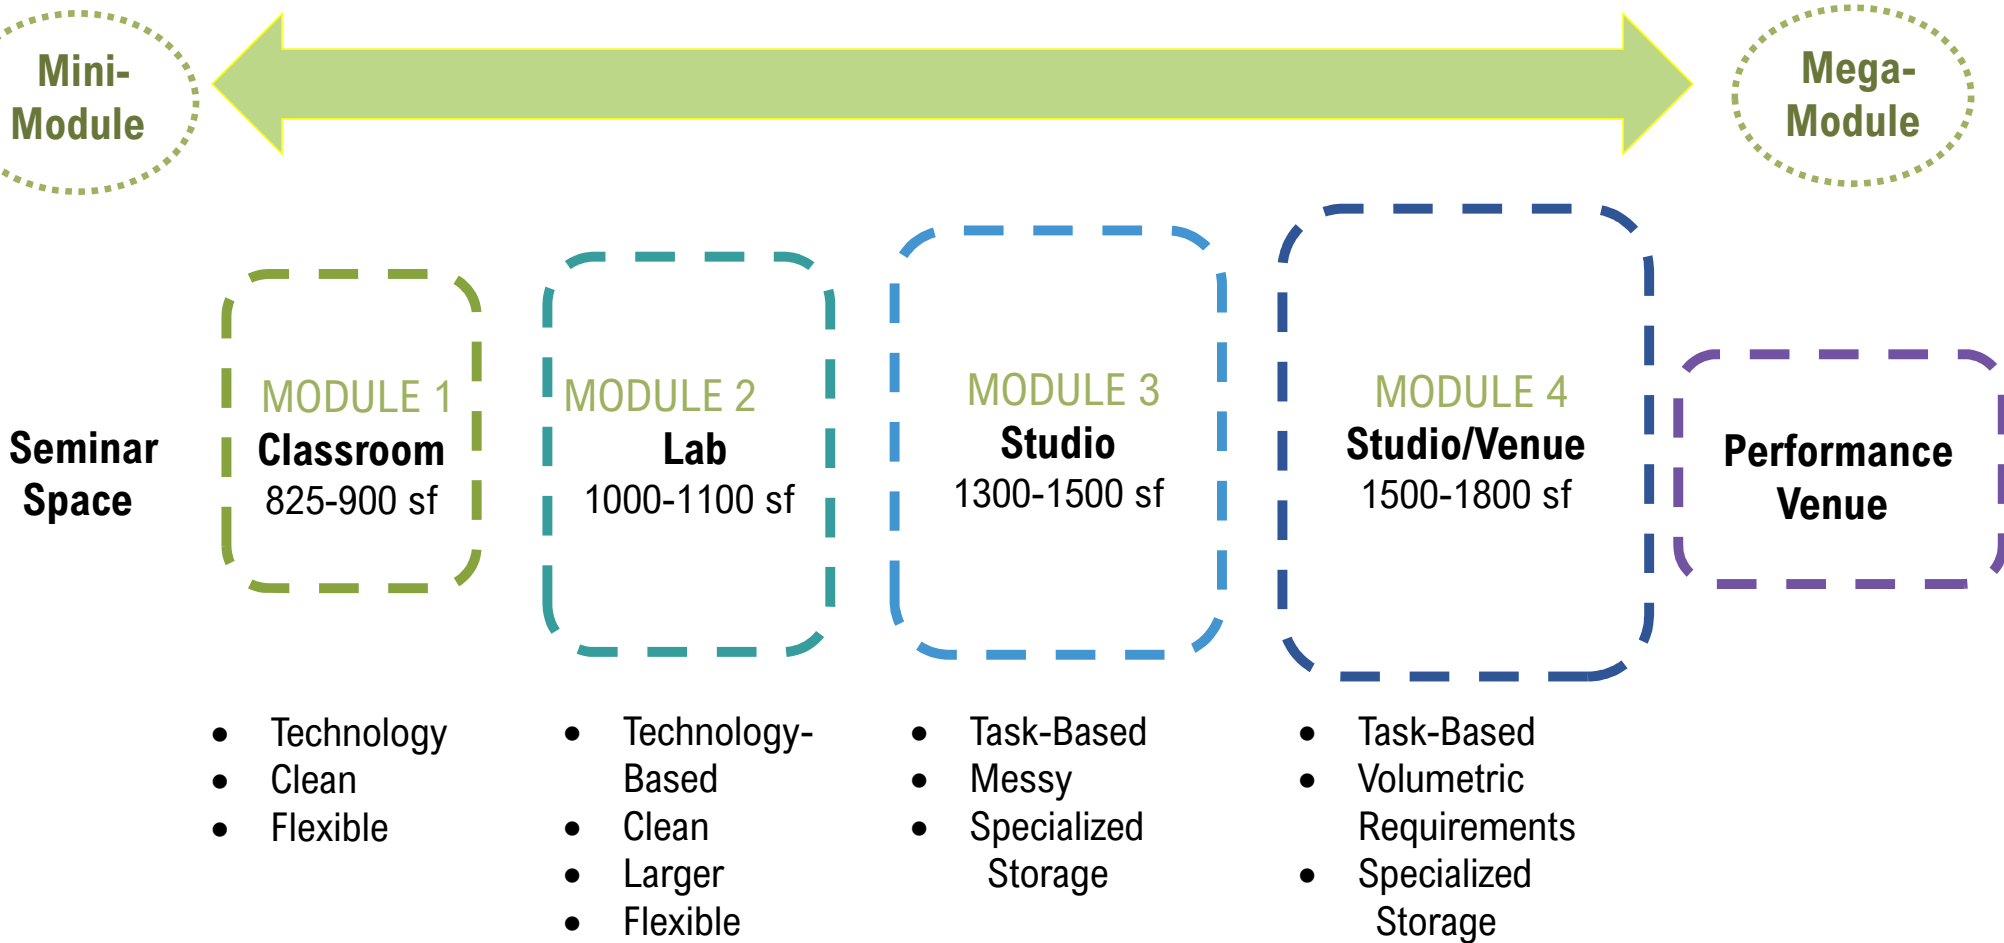

OUR GOALS

- Deliver all **program spaces**, per Ed Specs
- Celebrate **student creativity** and expression through the arts, performance and innovation
- Create **flexible spaces** that support interdisciplinary project-based learning.
- Create **seamless connections** between Phase 1 + 2
- **Integrate site** design with grading and site features, providing safe pedestrian, vehicle and service access
- Plan for an **efficient masterplanned addition** to add student capacity at a later time
