Reading Level by Marking Period

Reading Level	Description
Above (ABV)	Your child reads and comprehends text within and above the grade-level band and receives instruction and enrichment with text above the grade-level band during small group instruction.
On (ON)	Your child reads and comprehends text within the grade-level band and receives small group instruction to provide support, instruction, and enrichment with text as needed within the grade-level band.
Below (BLW)	Your child needs support to read and comprehend text within the grade-level band and receives targeted support with text below the grade-level band during small group instruction.

English Language Proficiency Performance Level

For students receiving English Language Development services, ELD teachers collect data to indicate student progress in English language proficiency. English language proficiency is stated in terms of the six WIDA English language proficiency levels. At a level 6, students are listening, reading, writing, or speaking comparable to their English-proficient peers meeting college and career-readiness standards.
