

Name _____ Date _____

Go to the www.oaklandterrace.com homepage. All of the information you will need can be found on the bottom of the page.

4.3.2.1 organize and display data using tables, pictographs, and bar graphs using appropriate scales

6.3.5.2 subtract two- and three-digit numbers with regrouping.

6.3.2.2 compare and order whole numbers through 10,000.

List the current temperatures for the cities that appear on the Oakland Terrace website.

City and Country	Temperature in Degrees Fahrenheit
Silver Spring, Maryland, USA	
Addis Ababa, Ethiopia	
San Salvador, El Salvador	
Manila, Philippines	
Lima, Peru	
Hanoi, Vietnam	
Mexico City, Mexico	
La Paz, Bolivia	
Colombo, Sri Lanka	

Place the temperatures in order from least to greatest:

Explain how you found your answer.

Find the difference between the greatest and least temperatures. Show your work.

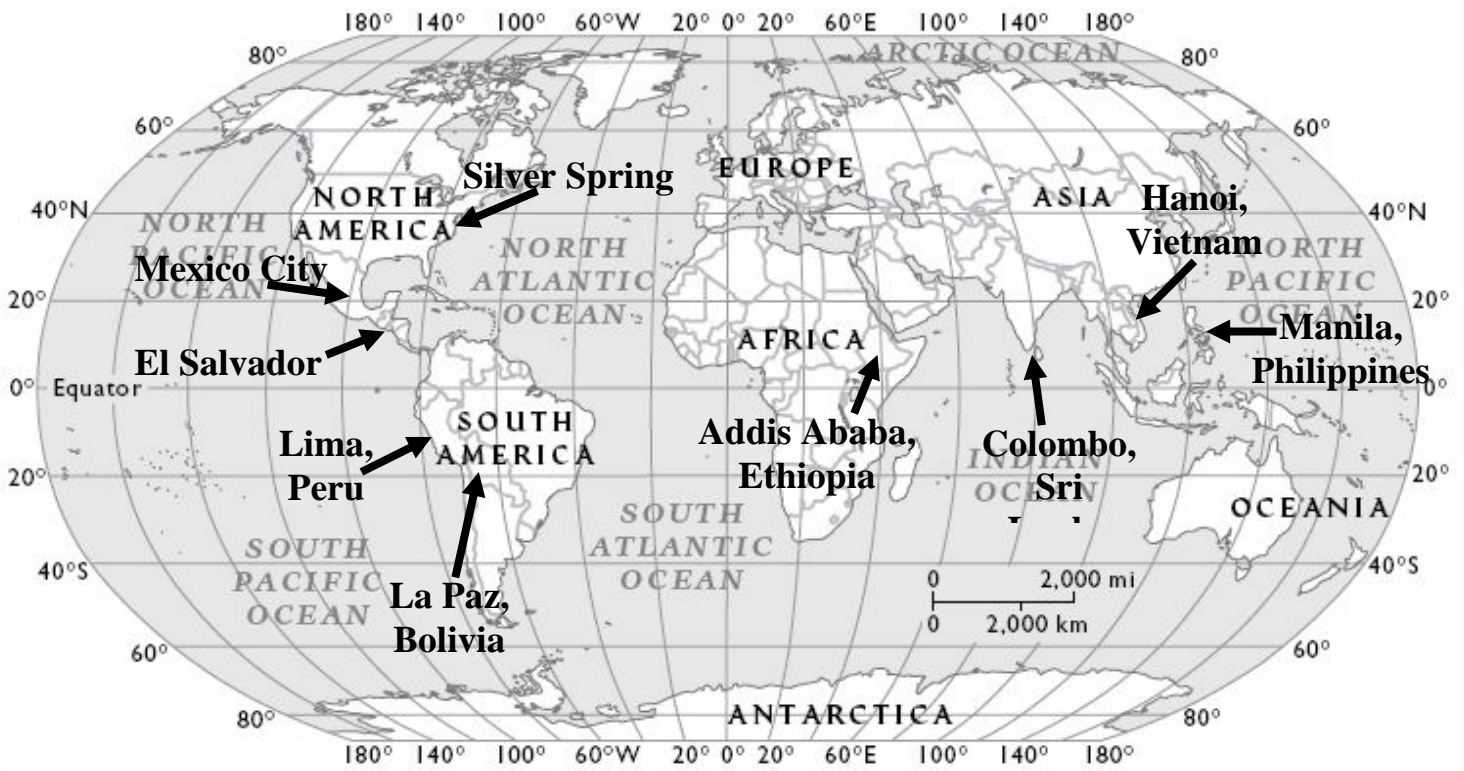

Write a sentence comparing the temperatures of the two cities.

Find the differences between the temperatures of one more pair of cities. Show your work.

Now, complete the bar graph on the attached page showing the current temperatures of the cities.

After completing the bar graph, explain why you think the temperatures vary so much between these cities.
