

Name _____ Date _____

1.1.1.1 recognize, describe, extend, and create repeating patterns using models.

1.1.1.2 copy, continue, and record patterns with actions, words, and objects; translate a pattern into another form.

Go to the website: <http://www.philtulga.com/fractionbars.html>

Make a pattern by moving the colored musical bars onto the top ruler. Press play to hear your pattern. After you have created your pattern on the top ruler, color in your pattern here.

Circle the pattern unit on the picture above.

Translate your pattern to letters using A,B,C,D, etc. _____

On the second ruler on the website, translate the pattern on top to the bottom ruler using different bars. Make sure that it is the same type of pattern. Color the bars on the ruler below.
