

Student drop off and pick up areas are in the lower lot. For safety reasons the front of the school is not be used for dropping off or picking up students during arrival (6:45 - 7:25) and dismissal (1:45 - 2:20) times. **Please note that we have a new traffic pattern in the lower lot this year.** Two lanes, right as you enter parking lot, are provided for student drop off in the morning. After dropping off students cars should proceed to the far end of the parking lot and exit via the last lane. Student parking will be accessed by turning left after entering the parking lot. The lanes between the parking rows are one way heading toward the school building.
