Re: KENNEDY, MAGRUDER, ROCKVILLE, SHERWOOD,

For the record, Dr. Cronin stated that he had looked at the Sherwood PTA Executive Board minutes and when the Northeast Mid-County Task Force was discussed a resident of Longmead was present. In addition, one member of the Sherwood Demographic Research Committee was a

resident of the Longmead community. He did not want to leave the impression that the community was not informed about pending Board decisions.

On motion of Dr. Cronin seconded by Dr. Shoenberg, the following resolution was adopted with Dr. Cronin, Mrs. DiFonzo, Mr. Ewing, Mr. Goldensohn, and Dr. Shoenberg voting in the affirmative; (Mr. Park), Mrs. Rafel, and Mrs. Praisner abstaining:

RESOLVED, That the following be substituted for the first bullet under Kennedy High School, Lee Middle School, Kennedy Cluster Elementary Schools:

- o The Board declares an unusual circumstance to consider the following alternative:
Consider an alternative to the current recommendation to include the area south and not include any houses bordering on Park Vista Drive.
The Board of Education would consider this alternative at a public hearing on December 12 with a decision on December 13, 1988.

For the record, Dr. Cronin stated that this was not a precedent for communities coming back to the Board and saying they did not know about proposed boundary changes. This did make them aware of a potential problem in dealing with a new community with a new civic association. However, he emphasized that this was not a precedent for other communities.
