- Visit [My.QuestForHealth.com](https://www.questforhealth.com)
- If you've already established an account, use the **Log In** area to enter your **username** and **password** and select the green **Log In** button
 - If you've forgotten your login information, use the **password** link to reset your password or the **username** link to retrieve your username
- If you've never registered on the site to establish an account, use the **Create Account** area
- After logging in or registering, you will be taken to the dashboard
- **NOTE: You must complete your Health Questionnaire before scheduling an appointment to complete your screening**

The screenshot displays the Quest Diagnostics website interface. At the top left is the Quest Diagnostics logo. On the top right, it says "Hello, Sample Participant" and provides navigation links: "Schedule an Appointment", "My Account", "Contact", and "Log Off". The main content area is divided into two sections. The first section, titled "Why You Should Participate", features a sub-header and a paragraph: "Completing a screening gives you the knowledge you need to identify your health risks and transform your health." To the right of this text is a photograph of a woman and a child. The second section, titled "Wellness Screening", includes the instruction "To get started, select an appointment method below:" and offers four options in a 2x2 grid. The top-left option is "Patient Service Center" with the description "Schedule a screening at a nearby Quest Diagnostics location." and a green button labeled "Schedule a Screening". The top-right option is "At an Event" with the description "Attend a wellness event at work or a location designated by your organization." and a green button labeled "Make an Appointment". The bottom-left option is "Physician Results Form" with the description "Download a form that your health provider completes with your recent test results." and a green button labeled "Order Form". The bottom-right option is "Self-collection" with the description "Complete your self-collection" and a green button labeled "Order Materials".
