The Montgomery County Students Automotive Trades Foundation, Inc.
(MCSATF)

is a non-profit organization established cooperatively by the Montgomery County business and professional community and Montgomery County Public Schools to provide a unique method of training high school students for skilled positions in the automotive field-the Mini Dealership, a licensed used car dealership. The students receive valuable on-the-job training that will prepare them for higher educational opportunities or direct entry into the automotive job market.

Your donated vehicle will be immediately re-titled in the name of the Auto Trades Foundation. You will be providing our students with a unique learning experience.

Please contact Rick Gangloff at 301-929-2184 for additional information and to schedule your donation. Thank you!
