

DRAFT – Algebra 1

Algebra 1 Units

The Algebra 1 curriculum is organized into seven units of instruction.

Unit 1: Equations and Inequalities in a Single Variable ([content map - pdf file](#))

Unit 2: Introduction to Functions ([content map](#))

Unit 3: Linear Equations and Inequalities in Two Variables ([content map](#))

Unit 4: Systems of Equations and Inequalities ([content map](#))

Unit 5: Data Analysis and Probability ([content map](#))

Unit 6: Exponents and Polynomials ([content map](#))

Unit 7: Quadratic and Exponential Functions ([content map](#))

Timeline

A suggested timeline for instruction is given below.

Algebra 1 Suggested Unit Timeline							
	Unit 1	Unit 2	Unit 3	Unit 4	Unit 5	Unit 6	Unit 7
Time (weeks)	4	3	5	4	6	5	5
