

FY 2009 QUESTION NUMBER: 33

QUESTION:

Provide information on the use of site coordinators to oversee major construction projects. What is the cost of a position?

BUDGET PAGE REFERENCE:

ANSWER:

The site coordinators are assigned for secondary school modernizations (middle and high school modernizations) only and the cost is charged to the Capital Improvements Program (CIP) budget. Site coordinators serve as liaisons between construction staff and the school administration. The cost of a site coordinator ranges between \$25,000-\$75,000 depending on the duration of the construction project and the salary of the individual assigned these duties.
