Outcome	AEI Literacy Coach should plan to meet with the principal to ...	AEI Literacy Coach should plan to meet with the AEI Math Content Specialist, SDT and /or other content specialists to...	AEI Literacy Coach should plan to meet with one or more of the stakeholder groups (content departments, teachers, parents, students) to ...	AEI Literacy Coach should plan to meet with individual or groups of teachers to...
Apply AEI Literacy Coach knowledge and skills to coach around school performance data.	Have a conversation with your principal to share your coaching goals and need in support of your coaching goal in your AEI Literacy Plan	Collaborate with your instructional leadership to infuse AEI literacy component into coaching in the content area.	Share pertinent data that was shared in your data folder from today's training. Coach when appropriate.	Share pertinent data that was shared in your data folder from today's training. Coach when appropriate.
Make connections between the AEI Literacy Plans and levels of evaluating professional development.	Explain to your principal your goal for including the levels of evaluating professional development and the expectations for use.	Share the content around evaluating professional development with the staff development teacher as the sharing of best practices.	Consider meeting with a group of students to collect anecdotal evidence about how students perceive how teachers present accelerated and enriched content in the classroom. Consider meeting with a group of students to collect anecdotal evidence about how students perceive how teachers present literacy content in the classroom.	Meet with teachers – if appropriate – when staff needs additional follow-up based on your evaluation of professional development identified in your AEI Literacy Plan.
