

The Betting Game

Facts and Fiction about READ 180 Reports

Directions: Begin with a total of \$500. First, identify each of the statements as either true or false. When each statement is read, bet an amount of money. If you are correct, add that amount to your total; if you incorrect, deduct that amount from your total

T/F	Statement/Question	Bet	Total
	The READ 180 Reading Progress Report will provide you with classroom data specific to sessions, the time spent on task, and cumulative performance.		
	The SRI Growth Report helps teachers track growth between 2 SRI test dates.		
	The READ 180 Comprehension Skills Grouping Report provides information on how to group all students based on specific skill needs.		
	The SRC! Student Quiz Success Report provides all the quizzes that students have attempted.		
	The READ 180 Parent Report 1 provides assessment results but not Lexile levels in many languages.
