

Brain Write!

An opportunity to reflect, analyze and share...

DIRECTIONS:

1. Cluster into groups of three.
2. Use the envelope provided to answer questions. The envelope will have four different questions printed on four different colored sheets of paper. Write an answer on one sheet then rotate all four sheets to each of the four members of your group.
3. At the end of this activity the four question sheets will have four answers to each question.
4. Discuss your findings with your group. Prepare to share your most pertinent insights.

What do you know about the levels of professional development?

What would you like to know about the levels of professional development?

Describe your experiences using the levels of professional development.

How do the levels of professional development connect to your work as AEI Literacy Coach?
