

# Five Words – Three Words Activator

## DIRECTIONS

### FACE TO FACE:

Complete this activator with a partner or in a small group. Please keep this activator as it will be needed later to complete the summarizer at the end of the module.

- On your own, write one word in each box that comes to mind when you think of “effective teacher-student relationships.” (Use Graphic Organizer #1.)
- Share your words with a partner or in a small group.

- Come to a consensus on  words your partner and you, or your small group, believes best describe those characteristics of effective teacher-student relationships.
- Record each of the three words on Graphic Organizer #2. (Note: Write the word on the lines provided.)
- Hold on to Graphic Organizer #2 to complete the summarizer at the end of the module.
