School Energy and Recycling Team

The Fallsmead Elementary School Recycling Rangers are Turned On, by Turning OFF!!

Carrie Hill, Clarice Pimentel, Greg Williams,
and the Fallsmead Elementary School Recycling Rangers

The SERT program at Fallsmead Elementary School is really taking off, or should I say, “turning off.” Ms. Carrie Hill, second grade teacher and SERT captain, is the driving force behind this movement. Strong leadership skills help Ms. Hill guide the students and staff at Fallsmead to create one of the finest MCPS SERT conservation programs. The Recycling Rangers take a proactive approach toward conservation through

- constructing recycling bins out of cardboard boxes and art supplies and placing them throughout the school, while waiting for recycling bins on back order;
- participating in a field trip to the recycling plant in Rockville;
- actively engaging in an Energy Assembly for the entire school; and
- continuing to monitor classroom energy usage with their very own “Energy Police.”

A big thank you goes out to Ms. Hill and the Fallsmead Recycling Rangers for their energy conservation efforts.

Do you have a “SERT Flash” you would like to share about your SERT efforts? Please submit a photograph and paragraph about your team and you too can be featured in a future FLASH!
