Energy Matters... Think Globally...Act Locally

REMINDER TO ALL ICB USERS
Please remember to do your part to help
Montgomery County Public Schools conserve energy and recycle.
See tips below:

1. Turn off all lights after use (if natural lighting is adequate, use instead of electrical lighting).
2. Turn off all computer monitors, printers, and office equipment after use .
3. Keep doors closed in air conditioned/heated rooms to avoid leaks into areas not requiring heating or cooling.
4. Please remember to recycle all paper, bottles, and cans in your usage areas.
5. Notify building service staff if you notice any additional opportunities for savings.

“It’s your world.....choose to conserve”
