

# SERT Flash

School Energy and Recycling Team

## *Welcome*

**John Meyer, SERT Recycling Technician**

The School Energy and Recycling Team (SERT) program would like to introduce our newest team member, John Meyer, who serves as our recycling technician. Please join us in welcoming him to the SERT program. John comes to us from Thomas W. Pyle Middle School.

As recycling technician, John is responsible for the outreach and operations of the recycling program within SERT. He reports to Richard Benjamin, SERT recycling manager. Specifically, John will lead our efforts in these areas:

- Researching and evaluating new recycling opportunities, demand for potential recycling initiatives/pilots, and customer needs and insights
- Overall recycling outreach strategies and contract/product management
- Working with school based SERT teams, building service staff, and MCPS employees to improve recycling programs
- Managing recycling campaigns and contests
- Managing day-to-day operations including hauling schedules, contracts, supplies, and Maximo work order requests
- Analysis of the effectiveness of recycling programs

John will work closely with schools and offices. His office is located at Department of Facilities Management, SERT, 2096 Gaither Road, Suite 200, Rockville, MD 20850. Please feel free to contact John @ 240-314-4714 or you can e-mail him [John\\_MeyerIII@mcpsmd.org](mailto:John_MeyerIII@mcpsmd.org)

Thank you for joining SERT in welcoming John to our team.

Do you have a "SERT Flash" you would like to share about your SERT efforts? Please submit a photograph and paragraph about your team and you too can be featured in a future FLASH!
