The SERT office has insulated lunch boxes available for purchase. These lunch bags will help keep your lunch cool instead of using a mini-fridge! We will provide lunch bags to schools who submit this order form along with a check for \$22.50, for 5 lunch bags.

These bags are a great way to increase awareness and encourage conservation. SERT students can develop a flyer to promote the lunch bags to staff and students and handle the ordering and delivering. The lunch bags are a great investment, very attractive, and are a great way to spend the SERT money you are awarded.

The bags can be ordered through our office throughout the year. Please submit your order form with a check.
