It is time once again to get those artistic juices flowing in your veins. The School Energy & Recycling Team's ***"SERT Is..." Digital Poster/Flyer Contest*** deadline is fast approaching. The deadline to submit entries for this contest is May 14, 2010.

Digital posters are being requested by the SERT office, SERT is looking for an attention getting poster that promotes a culture of conservation throughout the schools. Winning entries will focus on increasing energy awareness at schools and could be reproduced for all schools. The entries are to include the SERT motto and logo.

2009 was the first year for this contest. Seventh grade student, Angelina Shtereva, from Westland Middle School, was awarded for participating, in the 2009 contest. SERT went out to Westland Middle School to thank the school for sending in entries, and presented Angelina with a certificate of participation. Thank you Angelina!
