

Methods and Materials to Support Math

No Tech Options:

- ❑ Reduced workload, e.g., solve every other math problem
- ❑ Minimize the number of problems per page
- ❑ Extra time

Low Tech Options:

- ❑ Math line
- ❑ Enlarged worksheets
- ❑ Math facts charts
- ❑ Calculators (with print out or large keys or with special features)
- ❑ Graph paper to keep number problems lined up
- ❑ Highlight math signs, key words in math problems or instructions
- ❑ Tape record answers to math problems, formulas, etc.

High Tech Options:

- ❑ Software for demonstrating simple math functions (i.e., MathPad)
- ❑ Software for writing higher level math problems (i.e., Scientific Notebook)
