

IMPORTANT NOTE!

The Department of Materials Management (DMM) is providing you with boxes. It is your duty to MCPS and the environment to use them efficiently. Therefore, these boxes are on loan for MCPS use only. Once you are done using these boxes you must flatten, bundle and return them to DMM within 30 days of your move. If you have any questions, you can contact DMM directly.

THANK YOU!

Terms of Box Loan Agreement:

- I agree to return all boxes to DMM.
- I will prepare boxes for pickup (flatten and bundle them).
- I agree to email DMM within 30 days of the move to inform them that all boxes are ready and available for pickup.
