Beginning November 10, 2009 we will start picking up Rotation-1 elementary science kits.

The following kits are scheduled for return:

Kindergarten: "Living Things"

First Grade: "Rocks, Sand, & Soil" and "Constructions"

Second Grade: "Life Cycle of Butterflies" and "Balancing & Weighing"

Third Grade: "Plant Growth & Development" and "Crime Lab Chemistry"

The 4th grade kit "Ecosystems", the 5th grade kit "Physics" and the kindergarten kit "Weather, Plants & Animals" will be picked up March 2010

Be sure to check our website for updated info
