

## **Exciting New English Project Seeks Volunteer Teachers**

The Literacy Council of Montgomery County (LCMC) is recruiting volunteers to serve as Teachers, as members of a working group, which is currently developing a series of English for Daily Living classes for adult students.

This is an exciting new project, which will enable teachers to contribute significantly to the development and implementation of new classes on behalf of LCMC.

The objectives of the classes are to develop basic, common-sense skills for daily living, improve English competence, and engage students who are currently wait-listed for LCMC's tutoring program.

Volunteers should have the following qualifications: (1) experience working with adult learners; (2) experience teaching ESOL; (3) experience in course content development and (4) classroom teaching experience.

**The role of the Teachers** would be to lead and/or associate to conduct classes and teach 1-2 hours of classes per week for 8 to 10 weeks.

**Location of classes:** Northwood High School Silver Spring (on University Boulevard near Arcola) and possibly at the new Rockville Library

**Start date:** Ongoing

**Time commitment:** 6 months
