MDK12 Digital Library is comprised of nine great resources!

Search these SIRS resources together, or individually, based on your topic:

- SIRS Researcher—topical coverage of current and enduring social issues
- SIRS Government Reporter—resources by and about the U.S. government
- SIRS Renaissance—current perspectives on the arts and humanities
- SIRS Interactive Citizenship—tools to build knowledgeable citizens
 - *What Citizens Need to Know About Government*
 - *What Citizens Need to Know About Economics*
 - *What Citizens Need to Know About World Affairs*
- SKS WebSelect—reliable, safe, credible websites on vital issues and topics
- SIRS Discoverer & Discoverer WebFind—reliable, safe, credible text, images, and websites for younger researchers

Every SIRS resource includes MD standards correlations, Lexile reading levels, and easy-to-use tools to help users find and share resources for study or research.

Learn more with free training!

Discover how to best leverage SIRS in your classroom with one-hour online classes covering all the SIRS databases. Includes: search techniques, using various documents in SIRS, educator tools, and more. Your questions will be answered by a SIRS training expert during this interactive session.
