Call No. 371.39 GRE

Gregory, Gayle H.

**Activities for the differentiated classroom, Grade K** / by Gayle H. Gregory and Carolyn Chapman.-- Corwin Pr, 2008.

96p.

**Summary:** Classroom-ready activities to help all kindergarteners learn! In today's highly diverse classrooms, differentiated instruction enables teachers to plan strategically so they can meet the individual needs of all their students. This unique resource makes this challenge easier by providing teachers with a wide array of practical activities for the differentiated kindergarten classroom, all based on the strategies presented in the best-selling Differentiated Instructional Strategies: One Size Doesn't Fit All, Second Edition. Correlated to the national academic standards, the activities in this book are ideal for supplementing differentiated lessons on measurement, graphing, the five senses, plants, weather, citizenship, government, beginning sounds, vocabulary development, and much more. These ready-to-use activities can be immediately incorporated into lesson plans, and feature objectives, materials lists, step-by-step instructions, ideas for more differentiation, and reproducibles.
