

Social Studies Film Waiver Decisions

The Social Studies Evaluation and Selection Film Committee has reviewed the following films and made the following waiver decisions. Approved films are approved for use in a specific course and in a specific unit of study. Use of the film outside of these guidelines is not approved. We urge that teachers use all films with discretion, showing clips where appropriate to illustrate a point.

If you wish to submit a waiver for a film, please complete and submit MCPS form 365-21 and MCPS form 365-25 to the social studies office, CESC Room 253.
