**Note:** Schools were assessed for modernization in 1992, 1996, and 1999. There is some overlap in scores due to the four year gap in dates of the assessments. Schools on the 1992 list would have been four years older and may have had lower scores if the school from both lists were assessed at the same time. No funds have been allocated to complete the assessments of the remaining elementary and middle schools.

**TBD** Projects that do not have planning and/or construction expenditures in the Superintendent's Recommended FY2011Capital Budget and the FY2011-2016 CIP have completion dates to be determined (TBD). This TBD status will be revised in a future CIP.
