## Priority Funding Areas\* and CSAFE Areas\*\*

\*Priority Funding Areas are locations where the state and local governments want to target their efforts to encourage and support economic development and new growth. The following areas qualify as Priority Funding Areas: every municipality, as they existed in 1997; areas inside the Washington Beltway; areas already designated as enterprise zones, neighborhood revitalization areas, heritage areas and existing industrial land.

\*\*The CSAFE (Collaborative Supervision and Focused Enforcement) program improves public safety by combining intensive supervision, community policing and mobilization with activities to reclaim public space. Intensive supervision of adult and juvenile offenders on probation or parole, rapid responses to public nuisances, prevention activities, and other strategies help these communities become self-sufficient.
