Elementary Summer School Sessions

I. APPLICATIONS

All applications for admission to the summer school sessions by Montgomery County students must be approved by the principal prior to the opening session. Students should obtain the proper application form for admission to the summer sessions from the school in which they are presently enrolled (MCPS Form 325-8). Applications should be completed and returned to the school with check or money order for the proper tuition.

Private, parochial, and nonresident students may obtain application forms from any public elementary school. Applications should be completed and returned with check or money order, for the proper amount of tuition to the summer school center which the student wishes to attend.

II. TUITION FEES, COURSE OFFERINGS AND DATES

Montgomery County private and parochial students pay the same tuition as Montgomery County public school students. Tuition fees are established annually by the Board of Education. Course offerings will be determined annually by the needs of the school system. Specific instructions concerning course offering, dates, and specific tuition fees are found in the Summer School Bulletin issued in the spring of each year.

All tuition and fees are due and payable at the time of registration. Checks should be made payable to the Montgomery County Public Schools. Requests for withdrawal and refund should be made to the summer school centers where the students are enrolled. One day's attendance makes an applicant ineligible for refund.
