Superintendent's Student Service Learning Award Application

The 2006 Superintendent's Student Service Learning (SSL) Award will recognize middle school students in Montgomery County Public Schools (MCPS) who have contributed seventy-five (75) or more hours of service to their school and/or community from May 2, 2005, to May 1, 2006. PLEASE NOTE: Students who qualify for this award will have met the SSL requirement for a Maryland State Department of Education diploma. A Certificate of Meritorious Service is awarded to graduating seniors with 260 or more hours of service learning. REMEMBER: A list of approved SSL activities is available through school SSL coordinators, at www.mcpsssl.org, and in the annual publication, Student Service Learning Guide to Volunteer Opportunities.

To be considered for this award, please

- Complete all parts of this application.
• Attach copies of all MCPS 560-51 Student Service Learning Activity Verification forms that have been approved and document 75 hours of SSL between May 2, 2005, and May 1, 2006. Original copies of these forms should have been turned in to the SSL coordinator and already be part of the student record.
• Give this application, with all supporting documents attached, to the school SSL coordinator by Monday, May 8, 2006.
• Contact your school SSL coordinator with any questions regarding the application process.
