

Montgomery County Region (MCR) &
Montgomery County Junior Council (MCJC)
Invites secondary school student leaders to
**Meet with the Board of Education &
MCPS Superintendent Dr. Weast**

Tuesday, December 1, 2009

7:00 p.m. to 9:00 p.m.

in the

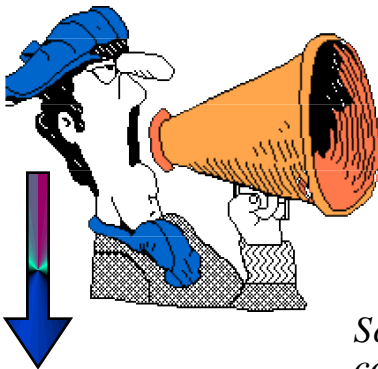

***Carver Educational Services Center
(CESC) Auditorium***

*This is a meeting set up specifically for the student leaders in our schools. **It is essential that every school be represented!***

This is a major opportunity for schools to share issues and concerns directly with the Board of Education. Three to six student leaders from each secondary school may attend this meeting. Although these students need not be recognized student leaders, they should be able to represent and share the views of your school's diverse group of students.

Interested students should talk to the student government advisor at their school as soon as possible but before the Thanksgiving Holiday.

**Please coordinate
through the SGA
advisor at your school.**

***We need your school's
voice to be represented!!!***

Please RSVP

School SGA advisors should register their attendance by completing the on-line registration form before the Thanksgiving Holiday. The registration link is on the calendar web page of the Student Affairs Office
