

# *Drive for Supplies*

## Middle School Student Participation during School Hours

This year, our school will be participating in the annual *Drive for Supplies*. This event involves collecting used but usable school supplies from students and teachers at the end of the school year. These school supplies are sorted, boxed, weighed, and then picked up by the county to be sent to organizations and schools in communities of need.

I, \_\_\_\_\_, am interested in participating in the Drive for Supplies. I understand that my help will be needed \_\_\_\_\_.

I understand that each of my teachers must give permission for me to participate in the *Drive for Supplies* activities that take place during class time. I understand that I must check in with each teacher before being allowed to participate on each of these days. In order to be excused from class on \_\_\_\_\_ to work on the sorting, boxing and weighing part of the project, I must be cleared by each of my teachers (clearance sheet is required).
