Summer Adventures in Learning 2009

Share your expertise

Extended Learning Opportunities Summer Adventures in Learning (ELO SAIL) is a Montgomery County Public Schools (MCPS) instructional program designed to help students at federally funded Title I elementary schools to reinforce what children already know and provide a head start in learning for the upcoming school year. With your help, students will improve their reading and mathematics skills—and have fun at the same time!

What ■ ELO SAIL is a summer academic program for students entering kindergarten, first, second, third, fourth, and fifth grades in 30 federally funded Title I elementary schools.

■ The 21st Century Community Learning Center (21st CCLC) is an afternoon arts and recreation program offered in 8 of the ELO SAIL elementary schools.
