

Physical Providers

2014 – 2015

Please note: **EXPIRED** means exactly that - you can **not** drive for MCPS with an expired DOT card. If you have existing medical conditions, take a letter from your primary care physician when you go for your DOT physical examination. Examples would be a heart condition, diabetes, high blood pressure, etc.

You must have your Physical Authorization Form with you to receive a renewal physical. If your physical is due and you have not received a Physical Authorization Form, see your depot secretary.

On-site physicals are available at most depots for your convenience. Check with your depot secretary for dates and appointment schedules.
