

# ACCUPLACER TEST

*(required by all Community Colleges)*

**FOR:** Seniors who plan to attend MC or other community colleges

**WHEN:** **April 30, 2012**

**WHERE:** James Hubert Blake H.S.

**TIME:** **7:25 – 10:30 a.m.**

The Accuplacer Test is a computer-based placement test required for students who plan to enroll at Montgomery College or any other community college. The only exception is a student who has an SAT score of over 550 on the critical reading and 550 on the math. *(Students that meet these minimum SAT scores will not need to take the Accuplacer and will be enrolled in college credit-bearing classes at MC.)*

This is your chance to take the official Accuplacer. Your scores will automatically be transmitted to Montgomery College.

To reserve your seat for the April 30 Accuplacer, please **see Mrs. Moore before school or during lunch**. Participants must submit a paper MC admissions application form to Mrs. Moore **by March 1<sup>st</sup>** to be included in this testing.

There is limited seating so reservations will be taken on a first come, first served basis.

*Please see Mr. Keegan in Rm A205A to register for an Accuplacer Diagnostic test on Feb. 23, 29 or March 14. This practice test will determine your strengths & weaknesses. We will show you software that will help you prepare for the official Accuplacer to be administered on April 30.*
