

**Important Pick-Up Policy:** Please be in the parking lot at the side of the school to pick up your child at 4:40 pm on rehearsal days except for performance week, which is later (see attached calendar.) Students will be dismissed at 4:45. If a teacher must wait with a student past 5:00PM on any given day, the student will be given a warning. If late pick-up occurs for a second time, the student may no longer participate in the after-school program and the role will be recast. Thank you for your consideration.

7. Finally, please **WRITE on the calendar below any conflicts** your student has for the rehearsal period. We ask that they be absent no more than twice and not at all during the week of the performance. Be sure to think about sports, appointments, band/orchestra, and other school and extracurricular activities. This information is important in casting your student in a role. It is critical that student actors try to attend every rehearsal. Absences beyond those stated below may result in your student being recast or cut from the play.
