

# *Carderock Springs @ Radnor Dress Guidelines*

***Rationale*** We believe that:

- clothing should reflect the fact that school is a place where students do important work
- shoes worn to school should support student safety
- moderation and good taste are always advised when evaluating what is appropriate for the school setting.

Therefore, we ask that students follow the following guidelines when dressing for school.

1. Short shorts, halter-tops, crop tops, spaghetti straps, flip-flops should not be worn to school.
2. T shirts with inappropriate messages are not to be worn to school.

***We thank parents for supporting their children in honoring the CSES dress guidelines!***
