

Mission Statement

- We are smart, responsible, highly motivated students willing to take risks and learn from our mistakes.
- We will respect and accept each other and our differences.
- We will work through our problems and help each other to succeed.
- We will challenge others and ourselves to be and do our best.
- We are here to learn and become better, more intelligent students and model citizens.
- We will make this happen by listening, studying hard, doing our schoolwork, homework, and practicing, practicing, practicing.
- We will read every night.
- We are a family.
- We are Mr. Edwards' students.
