

Mrs. Kleinman's Class

Mission Statement

We are cool 5th grade students and respectful Clarksburg citizens. We're hardworking, responsible, intelligent and ready to learn. We are prepared to set examples for the rest of the school by staying on task and following directions. We're here because we want to make friends, have a good time, and learn new things for our future. We will pay attention, respect each other, cooperate, be responsible, and do well in school. We will accomplish this by working together, being honest, trying new things, and listening to each other. We promise to treat each other fairly, care for each other, **HAVE FUN**, and **NEVER GIVE UP!!!!!!**
