Roberto Clemente Middle School

18808 Waring Station Road • Germantown, Maryland 20874 • (301) 601-0344

Office of the Principal

January 15, 2008

Dear Parents and Students,

The purpose of this letter is to update you about our Saturday School Program.

As you know, we have not had Saturday school over the past few weeks. I regret to inform you that we will need to end our Saturday Program. Unfortunately, we did not have the enrollment that was necessary to run the program.

Although, Roberto Clemente Middle School's Saturday school has ended, there are other opportunities for your son or daughter to receive additional math or reading help.

Students can enroll in the George B. Thomas Learning Academy at Northwest High School. The program runs from 8:30 am to 11 am every Saturday morning. There are certified teachers teaching the classes in reading and math. You can enroll at any time, and the program ends in May. You can go to <http://www.montgomeryschoolsmd.org/departments/gbtla/> to learn about the program. You can also call Northwest High School at (301) 601-4660 for more information.

We will offer the following programs after-school during the week:

- 6th grade/7th grade Reading class will be offered on Wednesdays and Thursdays from 2:45 to 4:15 after-school in Mrs. Aldridge's room. This is for 6th and 7th grade students who were enrolled on Saturday.
- 6th grade math will be offered on Thursdays from 2:45 to 4:15 after school in Mrs. Zucca's room. This is for 6th grade students who were enrolled on Saturday.

We hope that your children take advantage of one of these three options. There is nothing more important than having strong reading and math skills, and the only way to improve is to practice.

Please contact Ms. Nichole Hodges-Abassi if you have any questions or concerns at (301) 601-0344 or at Nichole_M_Hodges_Abassi@mcpsmd.org

We look forward to a great second semester of school.

Respectfully,

Shawn Joseph
Principal
