school # 301-601-0344

The RCMS Snowboard/Ski Club is gearing up for a snowy winter season. We hope you will be one of the 52 members to join us on four trips to the slopes this year (a waiting list will be maintained). This **General Information Notice** is designed to explain the basics of the club for students and families so they can decide if they want to participate. You can also access this information on the Web link from the school's home page. If you decide you want to join the club, a packet of club materials will be available with all the needed documents and information at the meeting in November. We have always been full so attend the meeting and get the materials. At least half the fee is due when you turn in your membership forms. The second half of the fee is due by 12/19/08. With timely notification, if a student on the waiting list attends in place of a regular member, a refund is given to the regular member. There will be a membership meeting on **November 5, 2008- forms are then handed out**. Prior to the first trip, there will be a **mandatory** meeting for **ALL** members on January 21, 2009.

**November 6, 7, 10-** open period for previous members to rejoin for the 2009 snow season. Any previous member can turn in the deposit and paperwork and secure a membership.

**November 6, 7, 10-** new candidates can apply by submitting the deposit and paperwork. They will be placed on a wait list. When the three day open period for previous members is over, these candidates will become members up to the total of 52.

**November 11-** first come, first served for any membership slots still open. Please note that we filled up in three days last year. We will keep a wait list of up to ten students who have paid at least half the fee and turned in the paperwork. They will take the place of members who cannot go due to illness, etc.
