The RCMS Snowboard/Ski Club is gearing up for a snowy winter season. We hope you will be one of the 52 members to join us on four Friday night trips to the slopes this year. This *General Information Notice* is designed to explain the basics of the Friday Night Club to students and families so they can decide if they want to participate. If you decide you want to join the club, a packet of club materials will be available with all the needed documents and information at the meeting on November 18, 2009. We have always been full so attend the meeting and get the materials. At least half the fee is due when you turn in your membership forms. The second half of the fee is due by December 18, 2009. With timely notification, if a student on the waiting list attends in place of a regular member, a refund is given to the regular member.

November 18, 2009- Club membership meeting: forms are then handed out.

November 19, 20 open period for members to renew for the 2010 snow season. Hand in the deposit and paperwork and secure your renewal.

November 19, 20 new candidates can apply by submitting the deposit and paperwork. They will be placed on a wait list. When the two day open period for renewals is over, these candidates will become members up to the total of 52.

November 23 first come, first served for any membership slots still open. Please note, last year all slots were taken the morning after the membership meeting. We will keep a wait list of ten students or more who have paid at least half the fee and turned in the paperwork. They will take the place of members who cannot go due to illness, etc.

January 20, 2010- mandatory meeting for ALL members prior to the first trip.
