

Dear 6th and 7th grade French Immersion parents,

Our French class in immersion mirrors the English class curriculum, so we have the same expectation for summer reading. Students are required to read a MINIMUM of ONE book originally written in French. You can find such books at local libraries, or order them at Borders, or on-line at <http://www.amazon.fr/> (with a search for “jeunesse 9-12 ans”). Your child’s French teacher is going to send to you the forms to record the reading. Those forms are due to the French Immersion teacher at GMS by **September 10, 2009** and will account as one of the grades for first quarter.

Thank you for your continued support of the French Immersion program in Middle School. We are eager to meet you and your child in the fall at GMS!

Have a Wonderful Summer!

Sincerely,

Maria Boichin, NBCT

French Immersion Coordinator

Hello,

I am a French language selector for Montgomery County Public Libraries and want you to be aware of the French language collections located at our Bethesda, Gaithersburg and Silver Spring libraries. Materials are available for both children and adults and can be searched via our online catalog by Author and Title. The entire collection can be pulled up by searching by subject using the terms "French Language Materials." Our website address is <http://www.montgomerycountymd.gov/library>. Materials can be searched remotely and, if not available at the branch closest to you, may be requested by a hold online for the desired items. Please share this information with your students and others you feel will benefit from our materials.

If you have any questions or suggestions, please feel free to contact me.
