ADMIN please read:

Students and staff, as you know we are currently under construction in anticipation for a brand new building 2014! With that, we will be going to a closed lunch next year, meaning all students will be required to remain in the building. In an effort to work out any issues that may arise, we are planning a closed lunch for this coming Tuesday, June 7, Wednesday, June 8, and Thursday, June 9th.

For our lunches next year and next week, we are looking for performers to entertain our student body...are you in a band? Do you sing? Do you have a talent you would like to share with your classmates? Does playing in front of the entire school sound like something you'd be interested in? If so, please see Dr. Fields so that we can "book" you for next week!

Today's Closed Lunch Tip: Chill out! Relax! Enjoy! Consider closed lunch a break from your academic day. It is an opportunity for you to hang out with friends, see teachers, do homework, Listen to music, enjoy our local entertainment, and even play basketball and soccer in our gymnasiums. Take advantage of this time!
