

**Summary of Facility Advisory Committee Presentation**  
**October 20, 2009**

The presentation was made at the October 20<sup>th</sup> GHS PTSA meeting.

Paul Falkenbury, architect from Samaha Associates, presented the decisions of the FAC for all attending the meeting.

The presentation highlights the basic schematics for the new Gaithersburg High School. We were shown the site plan layout, floor plan layout and surrounding areas.

The design will be put together for presentation to the School Board later this year.
