

Available to incoming University of Maryland students, the Helping Hand Scholarship is awarded annually to outstanding Freshmen or transfer students to the University of Maryland. The Helping Hand has been the official motto of Theta Chi Fraternity since its founding on April 10, 1856 at Norwich University, Norwich, Vermont. The Scholarship's purpose is to lend a Helping Hand financially to recipients in order to recognize past personal, philanthropic, and academic achievement and to promote such achievement in the future.

There are a wide range of generous scholarships available - depending upon academic and personal achievement, leadership, and need. Scholarships may include any combination of the following (a value of up to \$10,000): up to one academic year of housing at the Theta Chi Chapter House at UCLA (exclusive of Summer housing, social dues, insurance, utilities, and meal plan); reimbursement for up to an academic years worth of textbooks; and, cash scholarships up to the sum of \$500 per academic year. Apply now. For more information, contact Jake Wechsler by email, or phone 410-703-2036, or call Saad Saba at 240-486-0541.
